Attention Bidders:

For bidding over the phone, we require that you give an accurate description of the item or items you are interested in. Bidder must agree to start the bidding at \$500. Credit card information is required to secure payment. We must have a phone number where you may be reached at the time the item is to be auctioned. One of our staff members will contact you before the item is to be sold, and will bid at your request as the item is auctioned. If you win the bidding, we'll process your credit card for the specific amount plus shipping cost, if the item is to be shipped. If previously requested, bidder can choose to pay by check.
